NEWS RELEASE

Contact: Kathy Rager, Executive Director, 586-541-0033

Date: April 1, 2007

For Immediate Release

Students in Dakota High School in the Chippewa Valley School District and Henry Ford II High School in the Utica School District have received grants to implement depression and suicide prevention projects that will inform peers about the signs and symptoms of depression and its possible consequence – suicide. Students from the two districts received recognition at the youth directed conference, *The News on Booze – Don't Use*, held at the Macomb Intermediate School District on March 25. Sponsors of the grant are Community Assessment Referral & Education (CARE), St. Joseph Healthcare, Macomb Intermediate School District, CVS/pharmacy and Macomb County Community Mental Health Crisis Center.
